Objected to two hotel license renewals this year, America's Best Value Inn on Sinclair Road, and Kozy Inn at 3910 South High Street, a lot of overdoses, violence, and excessive calls for service. America's Best Value (old Red Carpet Inn) on 161 has not applied for state license yet. QUESTION – Bill Logan asked if the hotel has zoning code violation, does that have to be resolved before they can have their license approved. <p>Selected Discussions</p>	
<p>Emmanuel Remy, Columbus City Council</p>	<ul style="list-style-type: none"> One year anniversary of being appointed to City Council, come along way and accomplished a lot of great things in 2018, looking forward to accomplishing even more in 2019. In regards to Northland, looking forward to the 161 market study, will give more purpose to the 161 corridor and then follow up by working towards a special improvement district. Committees currently serving on (subject to change): Public Service and Transportation - made advancements in getting streets cleared (of snow) and pothole repair (72 hour

	<p>goal).</p> <ul style="list-style-type: none"> • Administration • Environment – a lot of work to do, OSU published the Columbus Climate Adaption Plan. Going to take a look at and immediate needs to work on. • Trash – a big piece of what we do, not as much an issue in Northland. QUESTION – Ken Gilbert, asked about recycling machines that he noticed in other areas, it seems to have helped alleviate bottles and cans along the highway. ANSWER – Issue with recycling centers not wanting the individual machines. Landfill issues are mainly related to fabrics, try not to throw away clothing, but donate instead. • Over Smart City • Working on New American Initiative – Columbus gains on average 50 new residents a day (18,000 a year). QUESTION – How is the city going to pay for all of this? Already short on police. ANSWER – It is a ongoing challenge, we are under staffed and limited on space for training. Budget for 2019 is less than expected, received less tax revenue than expected and the City will more than likely have a bond package brought before the voters. • Emmanuel will be on the ballot this year, excited for the opportunity to run.

Impact to tennis groups can be minimized by granted an exclusion. QUESTION – What are hours of other parks? ANSWER – Typically park hours are 7 AM to 11 PM unless they have had an hour change to sunrise to sunset. • QUESTION – Are sidewalks a part of what’s pending? ANSWER – NB, that’s not part of CRPD. • Contact Tina with questions or electronic version of the presentation.
